

# Don't Let Their Stories Fade.

Capture your parents' memories forever  
with just a simple phone call.

---

## THE PROBLEM:

You want to capture your loved one's life stories, but writing them down is hard, and they struggle with apps like Zoom.

## THE SOLUTION:

VerbaPost is a secure 'Voice Biographer.' We turn their spoken memories into a physical family archive without them ever touching a computer.

### 1. WE CALL THEM

We ring their regular telephone number. No apps, no WiFi, and no smartphones required.

### 2. THEY SHARE

Our friendly voice interviewer asks questions like 'How did you meet Mom?'

### 3. YOU KEEP IT

We transcribe their voice and mail you a beautiful, physical k
